## Hoops Hysteria 2011

On November 10, the EC Cheerleaders performed in front of the Elmira College community for the first time this season at the annual Hoops Hysteria event. Hoops Hysteria is a pep rally at EC to introduce the Men's and Women's Basketball teams as well as the JV, Varsity Game, and Varsity Competition cheerleading teams. The night was full of basketball scrimmages from both the men's and women's teams, fan contests, raffles, and performances by the cheerleaders. The showing was a great preview for what everyone should expect for this upcoming season!!

## Elmira College Fall Cheerleading Classic

On November 6th, the Elmira College Cheerleading program held its Annual Fall Cheerleading Classic. With 18 teams competing, divisions varied from Mini to Senior Level 4 and Hip-Hop dance. The day ran smoothly without any delays. The Varsity Game and Competition Teams performed an exhibition to get the crowd excited before awards. Congratulations to the teams that came out and did a wonderful job and the women look forward to kicking off the competition season again next year with the same fantastic turnout!

# Celebrating The Holidays

As the Holiday Season approaches, the Elmira College Cheerleading Teams celebrated together as a team in the Campus Center dining hall. The women enjoyed dinner and desserts as they exchanged gifts, stories, and laughs with good friends. Happy Holidays to all of our EC Cheerleading Family!!!

# Adopt-a-Family

The Elmira College Cheerleading Program has teamed up with Catholic Charities and adopted a family to sponsor this holiday season. All three cheer teams sponsored the family by donating and wrapping gifts, to help families less fortunate than themselves, have a wonderful Christmas. This was an idea that began with the squad in the 2008-2009 season, and the women have been excited to participate every year. The EC Cheerleaders have exhibited the true spirit of the holidays.
