Need assistance with a course that isn't listed?

1. Email studentsuccess@elmira.edu
2. Be sure to include the specific course for which you need assistance.
3. List what days and times you are available.

After you take those steps, a tutor will reach out to you to officially schedule your session.

The Office of Student Success is always here to offer services and academic support. If you find yourself struggling, please let me know how I can help you!
