

ELMIRA COLLEGE-CORNING COMMUNITY COLLEGE
ARTICULATION AGREEMENT
February 2016
General Policies

A. Elmira College accepts a maximum of sixty-eight semester hours of credit from two- year colleges.*

B. Associate in Arts and Associate in Sciences Degrees:

- 1.) Students who have received Associate in Arts and Associate in Sciences degrees from Corning Community College will be admitted to Elmira College as Juniors, if they have at least 54 college transfer credits.
- 2.) Recipients of these college transfer degrees will receive credit for grades of "D", provided that; (1) the student has earned a cumulative grade point average of 2.000 or higher, (2) the courses in which the grades were earned are applicable to the degree, (3) Corning Community College recognizes the course as a college transfer course, and (4) Elmira College recognizes the course as a college transfer course (see the Elmira College Bulletin)

Any course that is included in the credits required for an Associate in Arts or Associate in Science Degree is recognized by Corning Community College as a "college transfer course" and will be so recognized by Elmira College.

- 3.) a. Students who have completed the Associate in Arts or the Associate in Sciences degree are exempt from FYS 1010, First-Year Seminar.
- b. For courses that fulfill the Elmira College General Degree Requirements, see the course listing in Part C below.
- 4.) Recipients of these degrees will have completed the Elmira College Communication Skills Program requirement. They will also have fulfilled the Physical Education requirement. Careful selection of electives should permit the completion of most of the other General Degree Requirements. Courses are listed below which meet specific parts of the General Degree Requirements.

C. Associate in Applied Science Degrees: Although many courses may transfer, as listed in Section II, these degrees are not designed for transfer. Elmira College recognizes this distinction between degrees, programs and courses leading directly to careers and those that are applicable to baccalaureate degrees. With a little careful planning, a student may select courses that meet many of the general education and major requirements of Elmira College, as well as Corning Community College's requirements for the occupational degree. The specific course equivalents and major requirements are provided in Parts II and III, below, but the following guidelines may be useful to Corning Community College students who are considering transferring to Elmira College:

*** Corning Community College Nursing graduates will be allowed to transfer up to 80 credits**

ELMIRA COLLEGE ACADEMIC SCHOLARSHIP

Elmira College Scholarships and Grants
For Corning Community College Graduates

Students transferring to Elmira College are automatically reviewed for one of the College's merit based scholarships ranging from \$16,000 to \$26,000 per year, renewable at that level throughout each year of continued full-time study for the number of terms normally required to earn the baccalaureate degree. The Office of Admissions will award the scholarship at the time of acceptance based upon the student's cumulative achievement in collegiate coursework. No separate scholarship application is required.

Honor Scholarships*

Presidential Honor Scholarship

Value: \$26,000 per year

Trustee Honor Scholarship

Value: \$23,000 per year

Founder Honor Scholarship

Value: \$21,000 per year

Mark Twain Honor Scholarship

Value: \$16,000 per year

*Scholarship values are for students beginning in the Fall of 2015. Values may change over time.

GENERAL DEGREE REQUIREMENTS

A. Communications Skills Program (6 credits)

Corning students with A. A., A. S. or A.A.S. degrees will have completed this requirement. Corning students who complete ENGL 1010 and ENGL 1020 (College Composition I and II) will meet this requirement. If only one course has been completed, the student will be required to take the other Writing course at Elmira College.

B. "W" Course (3 credits)

Every student must complete, with a passing grade, a course at Elmira College from an approved list of "W" courses. This will be an upper-level course, taken at Elmira College, in the student's major with a special emphasis on written communication.

C. Mathematical Competency and Quantitative Reasoning

Mathematical Competency (0-5 credits)

Completion (with a passing grade) of any of the following courses will satisfy this requirement: MATH 1215, MATH 1225, MATH 1411, MATH 1412, MATH 1413, MATH 1510, MATH 1520, MATH 1610, or MATH 1620, MATH 2610, MATH 2620.

Quantitative Reasoning Requirement (3-6 credits)

The Quantitative Reasoning or (QR) requirement will expose students to developing strategies and solving problems in a structured, logical and analytical way. Students will also have the opportunity to apply these strategies to specific questions in specific disciplines. **Students will take one course (usually 3 or 4 credits) beyond Mathematical Competency.** Courses satisfying Quantitative Reasoning contain a significant quantitative component. These courses may come from a variety of disciplines including but not limited to Mathematics. [See Appendix A]

D. First-Year Seminar (3 credits)

Full-time students who transfer less than 21 credits must complete FYS 1010, First Year Seminar at Elmira College.

E. The Pillars and World Engagement (27-36 credits)

The Pillars and World Engagement requirements provide students with the intellectual breadth in the liberal arts and sciences necessary to be a broadly educated and globally aware citizen.

Courses taken as part of a major or concentration will qualify for The Pillars. No more than 3 credit hours from the same field code may be applied unless that field code is for a language other than English.

Pillars:Fine Arts - 6 credits

(ARTS, MCOM2700&2710, MUSC, THEA)

Humanities and Languages - 9 credits

(ARAB, ENGL, FREN, GERM, GREK, HIST, HUMA, ITAL, LATN, PHIL, RUSS, SIGN, SPAN, SPCH)

Social Sciences - 6 credits

(ANTH, CRJ, ECON, GEOG, GOVT, PSYC, SOCI)

Mathematics and Natural Sciences - 6 credits

(ASTR, BIOL, CHEM, EARTH, GEO, MAT, NSC, PHY)

World Engagement:Non-Western Perspectives (NWP) - 3 credits

[See Appendix B]

Global (GLP) - 3 credits

[See Appendix B]

Western Perspectives (WEP) - 3 credits

[See Appendix B]

F. Physical Education and Wellness (2 activities or at least 2 credits)

Recipients of the Corning Community College Associate in Arts or Associate in Science degree have fulfilled this requirement. Other transfer students should refer to the list of specific Corning Community College courses, which can be used to fulfill this requirement. They are found in the Physical Education and Recreation sections in the equivalent course lists in this agreement. Refer to the Elmira College Bulletin for alternative ways to fulfill this requirement. **Elmira College requires all full-time undergraduate students to complete this requirement.**

G. Career-Related Internship (0 credit)

The career-related internship provides an opportunity for students to explore work experience related to the major or to potential career goals. Career-related internships may be completed any time after the sophomore year and do not receive academic credit, unless offered for credit by the student's major. No essay is required. **Elmira College requires all full-time undergraduate students to complete this requirement.** There are multiple ways to complete the Career-Related Internship requirement:

1. **Work for a minimum of 80 hours in a pre-career or major-related environment.** This work may be paid or unpaid, but must be career or major-related. Students may work with the Office of Career Services or on their own to find an appropriate career or major-related internship.
2. **Students must complete the major specific internship if it is required by the major.** Students who are completing a major that offers an internship for credit may complete their internship according to the guidelines of the major. The number of hours required for the internship may vary from major to major.
3. **Pre-Graduate School Internship.** Students who plan to go on to graduate school may work with a faculty member to write an original thesis, or produce an original body of work appropriate for their field of study. This option will require students to register for 6 credit hours. The thesis or work should result in a significant and appropriate contribution of new ideas to the field. Upon completion, students will do an oral presentation of their work to the campus community.

The Career-Related Internship is administered by the Office of Career Services. Additional information is available from the Director of Career Services. The following Corning Community College courses **may** meet the Elmira College Career-Related Internship Requirement. Students must demonstrate proof of work hours completed.

AUTO 2140	Automotive Practicum
BUOT 2960	Office Technology Practicum
BUSN 2960	Field Experience
BUSN 2970	Business Management Internship
CHTK 2960	Chemical Tech Work Internship
CRJ 2960	Criminal Justice Practicum
ECED 2960	Field Experience—Early Childhood
EDUC 1960	Fieldwork and Seminar in Education
HOSP 2960	Hospitality Practicum
HUSR 2960-61	Human Services Practicum I&II
INTD1960-63	Field Experience
ITRN 1960-63	Internship
MACH 2350	Machine Tool Co-op
MCOM 2961-63	Radio/TV Internship
MCOM 2971-73	Journalism/Technical Writing, Public Relations Internship
MGMT 2960	Managerial Field Experience
NURS1100, 1500, 2100, 2500	Nursing LIV

H. Community Service Requirement (0 credit)

Beginning with the Class of 2017, **all full-time undergraduate students are required to complete a 60 hour non-credit community service experience with a local non-profit organization before the end of their sophomore year** at Elmira College. No essay is required to complete this requirement. A list of non-profits in Elmira is available from the Office of Career Services. The Office is considering eliminating the waiver option for all students, including those currently enrolled, beginning in the Fall of 2014. **Additional information is available in the Office of Career Services.**

The following Corning Community College course **may** meet the Elmira College Career-Related Internship Requirement. Students must demonstrate proof of work hours completed.

INTD 1000	Service Learning*
-----------	-------------------

*Service Learning may be taken for 3 credit hours. 3 credit hours = 60 hours of community service; partial credit may be applied.

EQUIVALENT COURSES

This part of the articulation agreement lists, by academic discipline, those courses offered by Corning Community College which may be applied toward the baccalaureate degrees (A.B. and S.B.) at Elmira College.

Corning Community College courses which do not have specific equivalents at Elmira College, but which are accepted toward an Elmira College degree are listed below as follows:

“Major Electives” are courses counting toward the total number of credits in a major but not specifically required for the major.

“General Electives” are courses counting toward the total of 120 credits needed for graduation but not counting toward any major or general degree requirement.

Corning Community College courses which are not listed below **may** still be included in the 60 to 68 credits accepted for transfer, even if they do not meet any of the Major, Minor, or General Degree requirements at Elmira College; however, all courses accepted in transfer must be of a generally similar nature, content, and level to Elmira College courses (and must **not** be remedial or narrowly vocational).

Accounting

The Elmira College equivalents of the following 4 credit courses carry only 3 credits each; therefore, only 3 credits of any one course may be applied toward the major requirements in Accounting or Business Administration. (VERY IMPORTANT: See also the special state regulations governing the Accounting major, which are set forth in Part III, Special Major Requirements.)

ACCT 1030 Financial Accounting	ACC 2010 Financial Accounting
ACCT 1040 Managerial Accounting	ACC 2021 Managerial Accounting
ACCT 2030 Intermediate Accounting I	ACC 3540 Intermediate Accounting I
ACCT 2040 Intermediate Accounting II	ACC 3541 Intermediate Accounting II
ACCT 2050 Cost Accounting	ACC 3610 Cost Accounting

General Electives: ACCT 2090, ACCT 2100, and ACCT 2120 (These courses **cannot** be used to fulfill requirements or as electives in the Accounting major. They can be used as general electives toward the 120 credits needed for graduation.)

Learning Skills

General Electives: LEAR 1000, LEAR 1010, and LEAR 1030 (Note: LEAR 1030 cannot be accepted for credit if either LEAR 1010 or LEAR 1020 have been accepted.)

Mathematics

MATH 1130 Math for Elementary Teachers I

MAT 2005 Math for Elementary Teachers I:
Number Systems

MATH 1140 Math for Elementary Teachers II

MAT 2006 Mathematics for Elementary
Teachers II: Geometry & Measurement

MATH 1310 Elementary Statistics

MAT 2090 Statistical Methods

MATH 1411 Elementary Functions I

MAT 1030 College Algebra

MATH 1412 Elementary Functions II

MAT 1090 Precalculus

MATH 1413 Pre-Calculus Mathematics

MAT 1090 Precalculus

MATH 1610 Calculus I
MATH 1620 Calculus II
MATH 2330 Discrete Structures
MATH 2610 Calculus III
MATH 2620 Ordinary Differential Equations

MAT 2010 Calculus I
MAT 2020 Calculus II
MAT 2100 Discrete Mathematics
MAT 3010 Calculus III
MAT 3020 Ordinary Differential Equations

General Electives: MATH 1015*, MATH 1110, MATH 1120, MATH 1215*, MATH 1225*, MATH 1510, MATH 1520, MATH 2410, MATH 2560

* MATH 1015, MATH 1215 and MATH 1225. Transfer credit is awarded for these courses although there are no “equivalent” courses at Elmira College. Successful completion of MATH 1210, MATH 1215, MATH 1220 or MATH 1225 fulfills the Mathematics Competency requirement in the General Degree Requirements at Elmira College. MATH 1015 does not fulfill this requirement but is accepted for credit.

Because many Elmira College majors require at least one Statistics course, a sequence at Corning Community College such as MATH 1215-MATH 1225 plus either MATH 1310 at Corning Community College or MAT 2090 at Elmira College is highly recommended.

Media Communications

General Electives: MCOM 2160, MCOM 2700, and MCOM 2710

Management

MGMT 2041 Principles of Management
MGMT 2042 Small Bus. Management

MKTG 2050 Principles of Marketing

MKT 2250 Marketing

General Elective: MKTG 1051

Major Electives: MKTG 2057 and MKTG 2058 (these courses can be counted as 3-credit electives toward the Marketing Specialization)

Music

MUSC 1110 Music Theory I
MUSC 1120 Intro to Harmony
MUSC 1230 Hist. & Appreciation of Music I
MUSC 1240 Hist. & Appreciation of Music I

MUS 1920 Fundamentals of Music
MUS 1120 Music Theory II
MUS 2010 History & Literature:
Ancient to Classical
MUS 2020 History & Literature:

MUSC 1311 Instrumental Performing Ensemble	Classical to Modern MUS1015 Instrumental Ensemble
MUSC 1321 Class Piano I	MUS 1011 Class Piano Lessons I
MUSC 1325 Class Guitar I	MUS 1003 Private Guitar
MUSC 1412 Select Vocal Ensemble	MUS 1017 Chamber Singers
MUSC 2321 Class Piano II	MUS 1025 Class Piano Lessons II
MUSC 2325 Class Guitar II	MUS 1003 Beginning Private Guitar
MUSC 1920-1990 Private Music Lessons	Equivalent private lessons
MUSC 2821 Individual Study: Voice	MUS 1020 Beginning Private Voice

General electives: MUSC 1130, MUSC 1411, MUSC 1421, and MUSC 2421

Nursing

NURS 1100 Nursing I	NSG 2510 Fundamentals of Nursing Care I
NURS 1500 Nursing II	NSG 2520 Fundamentals of Nursing Care II

Upon successful completion of NURS 2100 and NURS 2500 graduates will receive credit for NSG 3110, NSG 3111, NSG3112, NSG 3900, NSG 4011.

Successful completion of SCIN 1010 and SCIN 1020 fulfills CHE 1010 Introductory Chemistry, BIO 1110 Microbiology, BIO 1210 and BIO 1211 Anatomy and Physiology I and II for the Nursing Major.

NURS 2000 can transfer in as elective credit.

NOTE: This agreement applies only to individuals who have earned the AAS in Nursing.

Health, Physical Education, Recreation Development

PEPD 1201 Philosophy, Prin. and Organization of Coaching	PEP 3115 Theory & Techniques of Coaching
---	---

General Electives: PEPD 1000, PEPD 1200, and PEPD 1202

Physical Education

Corning Community College courses with similar or identical titles to those at Elmira College are considered equivalent. Transfer credit is not granted for intercollegiate sports, for example PFIT 1500 through PFIT 1623 although they may be used to waive a physical education activity.

Courses which can be counted toward fulfillment of the Physical Education requirement are: PFIT 1000, PFIT 1001, PFIT 1002, PFIT 1003, PFIT 1004, PFIT 1005, PFIT 1006, PFIT 1007, PFIT 1009, PFIT 1010, PFIT 1011, PFIT 1012, PFIT 1013, PFIT1014, PFIT 1015, PFIT 1016, PFIT 1017, PFIT 1019, PFIT 1020, PFIT 1021, PFIT 1023, PFIT 1050, PFIT 2000, PFIT 2002, PFIT 2013, and PFIT 2014

RECC 1000 Intro to Yoga

Philosophy

PHIL 1010 Introduction to Philosophy	Major elective at the 1000-level
PHIL 1050 Introduction to Logic	PHR 1005 Logic
PHIL 2010 Introduction to Ethics	PHR 1006 Ethics
PHIL 2250 Health Care Ethics	HLS 2030 Health Care Ethics
PHIL 2310 Philosophy of Religion OR	
PHIL 2330 Honors Philosophy of Religion	PHR 3050 Philosophy of Religion
PHIL 2320 World Religions	Major elective at the 1000-level
PHIL 2500 Business Ethics	PHR 2900 Business & Society: Does The Corporation Have a Conscience?

General Electives: PHIL1001, PHIL 1100, PHIL1230, PHIL 1300, PHIL 2050, PHIL 2070, PHIL 2200, PHIL 2360, and PHIL 2420

Physics

PHYS 1010 Elementary Physics	PHY 1030 The World of Physics
PHYS 1820 Physics I	PHY 2000 Principles of Physics I
PHYS 2830 Physics II	PHY 2010 Principles of Physics II

General Electives: PHYS 1580, PHYS 1730, PHYS 1740, PHYS 2090, PHYS 2100, and PHYS 2840

Psychology

PSYC 1101 Introduction to Psychological Science OR	
PSYC 1620 Honors General Psychology	PSY 1010 Introduction to Psychology
PSYC 2201 Social Psychology	PSY 3010 Social Psychology
PSYC 2206 Research Methods in the Social Sciences	SSC 2502 Evaluating Social Science Research
PSYC 2207 Child Psychology <u>or</u>	PSY 2060 Child & Adolescent Psychology
PSYC 2208 Adolescent Psychology	PSY 3000 Adult Development and Aging
PSYC 2209 Psych of Adult Development	PSY 2800 Health Psychology
PSYC 2214 Health Psychology	

General Electives: PSYC 2030, PSYC 2212, PSYC 2215, and PSYC 2221

Recreation

These courses may be used toward fulfillment of the Physical Education requirement: RECC 1000, RECC 1003, RECC 1004, RECC 1005, RECC 1006, RECC 1007, RECC 1010, RECC 1011, RECC 1012, RECC 1013, RECC 1014, RECC 1015, RECC 1018, RECC 1019, RECC 1021, RECC 2000, and RECC 2013

Russian

General Electives: RUSS 1010, RUSS 1020, and RUSS 2010

Science

Upon successful completion of SCIN 1010 and SCIN 1020 fulfills CHE 1010 Introductory Chemistry, BIO 1110 Microbiology, BIO 1210 A&P I and BIO 1211 A&P II for the Nursing Major

General Electives: SCIN 1030, SCIN 1040, SCIN 1110, and SCIN 1120

Sign Language

SIGN 1010 American Sign Language I	ASL 1010 American Sign Language I
SIGN 1020 American Sign Language II	ASL 1020 American Sign Language II
SIGN 2010 American Sign Language III	ASL 2010 American Sign Language III

General Elective: SIGN 2020

Sociology

SOCI 1010 Introduction to Sociology	SOC 1010 Introduction to Sociology
SOCI 2000 Social Problems	SOC 1021 Social Problems
SOCI 2030 The Family	SOC 2620 The Family
SOCI 2060 Research Methods in Social Sciences	SSC 2502 Evaluating Social Science Research
SOCI 2210 Diversity in the United States	SOC 2003 American Minorities
SOCI 2310 Sociology of Crime and Delinquency	SOC/CRJ 3200 Juv. Delinquency & Juv. Justice.

Spanish

SPAN 1010 Elementary Spanish Conversation and Structure I	SPA 1010 First Year Spanish I
SPAN 1020 Elementary Spanish Conversation and Structure II	SPA 1020 First Year Spanish II
SPAN 2010 Intermediate Spanish	SPA 2010 Second Year Spanish I
SPAN 2180 Composition and Conversation	SPA 2020 Second Year Spanish II
SPAN 2310 Brief Intro Spanish Literature	major elective at 2000-level

General Electives: SPAN 1050, SPAN 2070, SPAN 2080, SPAN 2130, and SPAN 2140

Speech

SPCH 1060 Interpersonal Communication (Individual)	
OR	
SPCH 2210 Interpersonal Communication (Group)	SPC 2010 Interpersonal Communication
SPCH 1080 Public Speaking	SPC 2020 Public Speaking

General Electives: SPCH 1110 and SPCH 2130

Theatre

THEA 1010 Introduction to Theatre

THEA 1020 Introduction to Acting

THEA 1030 Introduction to Technical Theatre

THE 1010 Introduction to Theatre

THE 2013 Acting I

THE 1012 Play Production

General Electives: THEA 1100, 1101, 1110, 1111, 2100, 2102, 2110, and 2112 (a maximum of 2 credit hours may be transferred for these courses)

Wellness

General Electives: WELL 1200 and WELL 1201

SPECIAL MAJOR REQUIREMENTS

Equivalent General Education and Major Requirements for most Elmira College Degrees may be determined by consulting the list of courses in Part II of this agreement. However, certain majors have special requirements, which are set forth here. In this section, the terms and conditions involved in completing these majors are presented in the context of the Corning Community College Curricula, so that Corning students, who may consider transfer to Elmira College, may plan their programs more effectively.

Accounting

Elmira College's S.B. Degree in Accounting is registered by the New York State Education Department as qualifying for the CPA Licensure. Elmira College must meet the standards established by the State Board of Accountancy. For that reason, the S.B. Degree in Accounting is a highly structured major with very specific requirements. Students must complete 27 credits in Accounting, 33 credits in Business and related courses, and 60 college transfer credits in the "Liberal Arts and Sciences". To meet these standards, Elmira College limits to 12 the number of credits in Accounting, which may be transferred:

ACCT 1030 (3 credits only) Acct. Prin. I	ACC 2010 Prin. of Acct. I
ACCT 1040 (3 credits only) Acct. Prin. II	ACC 2020 Prin. of Acct. II
ACCT 2030 (3 credits only) Inter. Acct. I either	ACC 3540 Intermediate Acct. I
ACCT 2040 (3 credits only) Inter. Acct. II or	ACC 3541 Intermediate Acct. II
ACCT 2050 (3 credits only) Cost Accounting	ACC 3610 Cost Accounting

Other transferable elective courses include:

ECON 2001	Principles of Economics (Macro)
ECON 2002	Principles of Economics (Micro)
BUSN 1231-1232	Business Law I and II
MGMT 2041	Principles of Management
MATH 1310	Elementary Statistics
MKTG 2050	Principles of Marketing

- Students entering Corning Community College who plan to sit for the C.P.A. examination are advised to enroll in the Associate in Science transfer program in Business Administration (AS), and to complete the advanced requirements in accounting after they transfer. Corning graduates who have received the Associate in Applied Science Degree in Accounting (AAS) must consult a member of the accounting faculty at Elmira College to determine their status at the time of registration.

Business Administration

To satisfy all but three of the core requirements in this major, students should complete the following courses:

ACCT	1030-1040	Accounting Principles I and II
ECON	2001	Principles of Economics (Macro)
ECON	2002	Principles of Economics (Micro)
BUSN	1231-1232	Business Law I and II (provided both courses are completed at Corning Community College)
MATH	1310	Elementary Statistics
MKTG	2050	Principles of Marketing
MGMT	2041	Principles of Management

Biology

BIOL 1510-1520 General Biology I and II are the entry-level courses for this major

Chemistry

CHEM 1510-1520 General Chemistry I and II are the entry level courses for this major

Education

Although a minimum 2.0 Grade Point Average (GPA) is required for Admission to Elmira College, acceptance into the Teacher Education Program and Student Teaching has a higher GPA requirement. Students must earn and maintain a 2.7 GPA in both their academic major and/or concentration and in their Teacher Education program courses. An application for acceptance into the Teacher Education Program must be completed by January 15th in the student's second (Sophomore) year. The Student Teaching I application is due by October 15th in the student's third (Junior) year. Transfer students who are admitted to Elmira College with Junior status must complete both applications by October 15th of their third (Junior) year and their Student Teaching II applications by January 15th of their third (Junior) year.

The Liberal Arts and Sciences: Education/Childhood Education Program at Corning Community College is a jointly registered program of Corning Community College and Elmira College.

Please contact the Teacher Education Department at Elmira College for information about these and New York State Teacher Certification requirements.

English

The following courses are recommended for prospective English majors:

ENGL 2010 or 2020	American Literature I or II
ENGL 2310-2320	English Literature I-II
ENGL 2480 or 2490	Creative Writing: Fiction and Drama or Poetry

Foreign Languages

A major in foreign languages requires completion of core requirements plus an area of specialization chosen from French or Spanish. Each specialization in a modern foreign language requires a minimum of 24 credits excluding the first-year course, as specified in the Elmira College Bulletin. At least 12 of these credits must be at the 3000-level or higher.

Some core requirements and their Corning Community College equivalents are:

A foreign language (Classical or Modern) different from the specialization 6 credits

- Elementary French courses if the specialization is not French
- Elementary Spanish courses if the specialization is not Spanish
- Elementary German courses
- ARAB 1010 Elementary Modern Standard Arabic Conversation & Structure I
- ARAB 1020 Elementary Modern Standard Arabic Conversation & Structure II
- GREK 1010-1020 Elementary Classical Greek I and II
- LATN 1010-1020 Elementary Latin I and II
- RUSS 1010-1020 Elementary Russian Conversation and Structure I and II

History and Civilization courses appropriate to the field of specialization 12 credits

- HIST 2410 Latin American History (if the specialization is Spanish)

Nursing

Twenty credits in nursing are accepted to meet Elmira College Nurse Education Program requirements. Other nursing credits earned at CCC are accepted as elective credit.

Philosophy and Religion

All philosophy courses offered at Corning Community College are acceptable electives in philosophy and religion.

Criminal Justice

Although several specific courses are equivalent, the Elmira College S.B. major in Criminal Justice is significantly different from the Corning Community College A.A.S. Criminal Justice degree in its structure and purposes. Students who have received this degree should consult a member of the Elmira College faculty to determine their status prior to registration.

Speech and Hearing

A maximum of nine credits may be transferred as related electives based on the equivalencies listed in part II.

REVISION AND CANCELLATION

This agreement may be revised or cancelled by either party at the end of any academic year, provided that written notice is submitted to the other party no later than the end of the first semester of the previous year. Changes to course titles and new courses may be added throughout the year with the consultation of both parties. Students who are enrolled in Elmira College shall complete their programs under the terms in force at the time.

APPENDIX A—QUANTITATIVE REASONING COURSES

<u>Corning Community College Course</u>	<u>Elmira College Course</u>
BIOL 1510 General Biology I	BIO 1020 Biological Concepts I
BUSN 2040 Principles of Investment	FIN 1900 Introduction to Investments
